

North Hempstead Supervisor Jennifer DeSena and the Town Board present

2024 Rain Barrel and Composter Sales

Supervisor Jennifer DeSena and the North Hempstead Town Board are proud to work with BrandBuilders to provide discounted rain barrels and compost bins to our residents.

Composting and using a rain barrel are two great ways to help the environment from your own backyard. Compost provides valuable plant nutrients, reduces waste, and lessens or eliminates the need for synthetic fertilizers. Rain barrels collect rainwater that can be used for outdoor irrigation and help to conserve water use, allow users to save money, and reduce stormwater pollution.

Please visit northhempstead.compostersale.com to purchase your rain barrel or composter

Sales are for Town of North Hempstead residents only.

Orders must be placed by end of day Thursday, September 12th and be picked up on:
Friday, September 13 between 10 am and 3 pm OR Sunday, September 15 between 10 am and 12 pm

Pick up is at Clark Botanic Garden, 193 IU Willets Road, Albertson
