

North Hempstead Supervisor Jennifer DeSena and the Town Board present

2025 RAIN BARREL AND COMPOSTER SALES

Supervisor Jennifer DeSena and the North Hempstead Town Board are proud to work with BrandBuilders to provide discounted rain barrels and compost bins to our residents.

Composting and using a rain barrel are two great ways to help the environment from your own backyard. Compost provides valuable plant nutrients, reduces waste, and lessens or eliminates the need for synthetic fertilizers. Rain barrels help conserve water by collecting rainwater that can be used for outdoor irrigation. They allow users to save money and reduce stormwater pollution.

Rain barrels and composters *must* be purchased online.

Please visit www.northhempstead.compostersale.com to purchase your rain barrel or composter.

SALES ARE FOR TOWN OF NORTH HEMPSTEAD RESIDENTS ONLY.

Orders must be placed by the end of the day on Tuesday, April 22nd and picked up on:
Friday, April 25 from 12 to 6 PM | Saturday & Sunday, April 26 & 27 from 10 AM to 12 PM

Order pickup will be held at Clark Botanic Garden, 193 IU Willets Road, Albertson, NY 11507
